

## **Emperor Group Profile**

Established in 1942, Emperor Group started as a small watch retail shop. Over the past decades, we have grown and expanded into a conglomerate of diversified businesses that includes financial services, property, watch & jewellery, entertainment, hospitality, media, furniture & furnishing as well as food & beverage, with five companies listed on the Main Board of the Hong Kong Stock Exchange. Embracing the mission “From the community, To the community”, the Group actively fulfills our corporate social responsibilities, with two charitable foundations to organise a variety of charity and personal well-being activities, in which all staff members are highly encouraged to participate. We all join forces to become better global citizens, both as individuals and members of the Group.
