

Company / Organization Profile

The Executive Officer Grade offers an interesting, satisfying and challenging career to talented people who share the Grade's vision.

The Vision of the Executive Officer Grade is to serve Hong Kong by providing the highest quality of service in the management of public organisations.

The Mission of the Executive Officer Grade is to plan, manage and review resources and systems in the organisations in an overall effort to meet organisational objectives in a most efficient and effective manner.

Executive Officers are professional managers who specialise in resource and system management. Posted around different government departments and policy bureaux, they enjoy a wide variety of work and have the opportunity to work with people of different backgrounds. They will be provided with structured training at various stages of their career to develop them into professional resource and system managers.
