

Meyer Manufacturing Co. Ltd. – Graduate Trainees 2018

Feast on your Career!! Here is a recipe for Success.

The program aims at creating a company-wide, cross-divisional high caliber pool of candidates who have genuine interest to grow with us.

Nutrients... what you will experience

1. Job rotation and short-term assignments around the region
2. Online and offline, group and customized learning programs
3. Action learning as well as process improvement projects
4. Mentoring from senior executives

... In a truly GLOBAL company:

As the world's second-largest company in cookware, Meyer is a family-owned company founded in 1951 with affiliates in many countries throughout Europe, the US, Asia and Australia. We are very nimble despite our large size, always striving to be the technology leader in our industry by focusing on good design, engineering and innovation.

Meyer designs, manufactures and markets many types of cookware, offering consumers a stable of widely recognized cookware brands including Circulon, Anolon, Farberware, Rachael Ray, Raco and Prestige. We offer employees a dynamic and rewarding career with long-term stability, as well as extensive opportunities for the growth and development of our employees.
