

Asia Pacific Technology Internship Program

WELLS
FARGO

The Company

Wells Fargo & Company (NYSE: WFC) is a diversified, community-based financial services company with \$1.9 trillion in assets. Founded in 1852, Wells Fargo provides banking, insurance, investments, mortgage, and consumer and commercial financial services through various distribution channels around the world. We're headquartered in San Francisco and do business with 70 million customers and one in three US households. Wells Fargo has approximately 273,000 team members in 42 countries and territories across our more than 90 businesses.

Wells Fargo's vision is to satisfy all its customers' financial needs and help them succeed financially. A key focus of that vision is serving the increasing financial needs of financial institutions, non-bank financial institutions and corporates.

In APAC we have our regional headquarters in Hong Kong and offices in 12 other locations including Beijing, Melbourne, Seoul, Shanghai, Singapore, Sydney Taipei, and Tokyo. We cover a diverse range of businesses that includes Financial Institutions Group, Global Banking, Global Payments Services, International Trade Services, Foreign Exchange, Wells Fargo Capital Finance, Wells Fargo Securities and Wealth and Investment Management.

The Internship Program

Our Asia Pacific Technology Internship Program aims to identify and develop talent for future technology roles. The program is supported by technology groups responsible for systems and services in the region. Interns will be exposed to real life technology scenarios and tasks with learning and development opportunities.

The program provides a unique perspective into how technology operates, partnering with the business to develop and deliver value-added products and services.

The Candidate

- High caliber students in their penultimate year of undergraduate studies.
- Strong analytical and problem solving skills. Self-starter with focus on results.
- Excellent communication and presentation skills.
- Strong desire to learn and develop on the job.
- Ability to think and work in a team environment.
- Confident, poised, self-starter and energetic who strive in a fast-paced, global environment.
