Wells Fargo Today

Volunteers from the nonprofit TreeFolks plant pine saplings to help restore the Lost Pines Forest in Bastrop County, Texas. Learn more about how Wells Fargo works across business and environmental philanthropy programs to make cities more resilient in the face of climate change in the 2016 Corporate Social Responsibility report (www.wellsfargo.com/about/corporate-responsibility/goals-and-reporting).
We’re strong for our customers and communities

Wells Fargo & Company (NYSE: WFC) is a diversified, community-based financial services company with $1.9 trillion in assets. Founded in 1852, Wells Fargo provides banking, insurance, investments, mortgage, and consumer and commercial financial services through more than 8,600 locations, 13,000 ATMs, online (wellsfargo.com), and mobile devices.

We’re headquartered in San Francisco, but we’re decentralized so every local Wells Fargo location is a headquarters for satisfying our customers’ financial needs and helping them succeed financially. We do business with 70 million customers and one in three U.S. households. Wells Fargo has approximately 273,000 team members in 42 countries and territories across our more than 90 businesses.

At the end of first quarter 2017, Wells Fargo ranked third in assets among U.S. banks.

Our vision: “We want to satisfy our customers’ financial needs and help them succeed financially.”

---

Volunteers from TreeFolks, one of 312 projects around the country that was awarded part of the $15 million in Environmental Solutions for Communities grants between 2012 and 2016, led the restoration effort after wildfires in September 2011 charred 34,000 acres near Austin, Texas, destroying a 6,565-acre ecosystem inside Bastrop State Park.
We work to make our communities better

At Wells Fargo, we work to make every community in which we live and do business better – through our products and services, culture and operations, and philanthropy. Please visit https://www.wells-fargo.com/about/corporate-responsibility/ to learn more about our 2020 strategy and commitment to help address global challenges and strengthen our communities by focusing on three strategic priorities: fostering a diverse and inclusive culture that drives innovation; creating economic opportunities in underserved communities; and doing our part to reduce the impacts of climate change.

Diversity and social inclusion

- 42% of U.S. workforce is ethnically/racially diverse
- 56% of global workforce are women
- 8,500 self-identified veterans
- $75 million in grants and home donations to support military veterans since 2012
- $1.73 million volunteer hours
- 13% increase in volunteer group participation over 2015 with 79,800 team members participating in Volunteer Chapters, Green Teams, and Team Member Networks
- $98.87 million in team member campaign pledges and donations to charitable organizations and schools
- $36.4 million donated to advance diversity and social inclusion, the development of women and diverse leaders, and other critical social needs

Economic empowerment

- $38 million in grants and lending capital distributed to 30 Community Development Financial Institutions serving diverse small businesses
- 206,300 people reached through Hands on Banking® financial education workshops
- 4.1+ million customers helped to manage their credit scores and overall financial health with free credit score program
- 12,900 low-income homeowners created through $327 million in down payment assistance from Wells Fargo LIFT programs since 2012
- $14 billion in mortgages provided to low-and-moderate income households and $35 billion in mortgages provided to minority households
- 525 Habitat for Humanity homes built and improved for low-income homeowners, seniors and veterans, for a total of 2,700 since 2010
- $87.9 million donated to support financial education, sustainable housing, small businesses, and other critical economic needs

Environmental sustainability

- $17.6+ billion in environmental financing for renewable energy, clean technology, and other environmentally sustainable businesses
- 36% reduction in absolute greenhouse gas emissions since 2008
- 52% increase in water efficiency since 2008
- 31% increase in energy efficiency since 2008
- 21% of total square footage in leased and owned buildings is LEED®-certified
- 58,600 hours volunteered in environmental projects
- $5.0 million donated to support nonprofits, universities, and community organizations focused on environmental sustainability, clean technology, environmental education, and strengthening community resiliency

All data is for January 1, 2016 - December 31, 2016, unless otherwise noted.
