Our Offices:

- With 20 locations in Hong Kong and a rapidly expanding network in APAC we can easily find a workspace to match your needs.

Our Services

Serviced Offices

Our office facilities are ready-to-go, fully furnished and equipped to the highest standard. As well as standard office we offer custom solutions to ensure you get the office you need.

Virtual Offices

A prestigious business address, call and mail handling service as well as a local telephone number. Perfect for companies looking to break into a new market and for establishing new branch offices

Our Services

Co-working

Our hybrid mix of serviced offices and co-working gives security, privacy and access to creative areas to relax, recharge and collaborate.

U-Desks

Our new hot-desking initiative is perfect for business travellers or people looking for a temporary working solution.

Meeting Rooms

Our expertly designed Meeting Rooms provide the ultimate professional environment for your business.

Enterprise-Grade IT

- Plug & play IT solutions
- Professional helpdesk support
- Direct fiber from multiple ISPs to our network
- Bespoke solutions available for increased security, redundancy and bandwidth
- Synchronised Wifi – walk into any Compass Centre and connect securely to the network
- Enterprise grade, government approved CISCO IT equipment
- State of the art Telecom systems
