

## **ABOUT D & PARTNERS**

D & PARTNERS specializes in audit and business advisory services. We focus on providing significant value-add to our clients' most complex business problems.

D & PARTNERS applies a pan-Asia strategic mindset in expanding and strengthening its presence within this fast-growing region. Through our affiliates over the Mainland China and Asia-Pacific Region, we draw upon a wide pool of resources and expertise to deliver professional services through multi-lingual teams experienced in both local and international requirements and regulations.

## **OUR VISION**

Our culture is one of reliability and trustworthiness; you can be sure of our confidentiality so that you can be frank and open. Our demand for high professional standards is second to none, our staffs are our asset and we ensure they have the right quality to serve our clients. We assign high value to integrity and have ambitious visions to grow and improve.

As a professional services organization, we have a duty to ensure that our clients' businesses operate to the highest standards, meeting all necessary local and international requirements. With our local expertise and global knowledge providing a clear vision of the path ahead, our clients will benefit from D & PARTNERS's cross-cultural perspective to enjoy cross-border business success.

Our vision is to exceed our client's expectations and establish a leading service provider in business. We provide a wide range of services to suit your need.

Our knowledge and the rich experience of our team allow us to offer services tailored to the stage of development and the individual needs of each client.
