

FDM Group is an award-winning FTSE 250 company with a global footprint and an impressive list of market-leading clients. We are renowned for our dynamic Careers Programme, which provides graduates, returners to work and ex-forces personnel with award-winning business and technical training in core disciplines. Once trained, FDM consultants work on client sites to support them in achieving specific business objectives within various sectors, including financial services, media, retail, government and public sector, not-for-profits, insurance and more.

FDM has over 4,000 employees from a diverse range of backgrounds working in EMEA, North America and APAC. We train tomorrow's IT and business professionals in several areas including Project Support, Business Analysis, Business Intelligence, Software Development, Software Testing, Risk, Regulation and Compliance and IT Service Management. With 75+ nationalities working together as a team and circa 50% of the management team being women, FDM has firmly established itself as an inclusive employer that champions diversity in the workplace.
