

## ▶ Global Graduate Options

### THE OPTIONS HONG KONG PROGRAMME

First Derivatives is a leading provider of products and consulting services to the capital markets industry. After years of success overseas, we have brought our Graduate Programme to Hong Kong.

Our Award winning Graduate Options programme stands out from all others. We provide you with world class training through our Capital Markets Training Programme, and the opportunity to work with Tier 1 Investment Banks. The initial training will take place in our Irish HQ for 1 month with company provided accomodation.

## WHAT WE OFFER

- World Class training from industry professionals in Ireland
- Opportunities for travel
- Competitive salary package
- Annual salary review
- Fast-track career progression

## WHO CAN APPLY?

First Derivatives want to recruit the brightest and the best emerging from the University world. We require you to have at least a 2.1 degree classification (or equivalent) in **Computer Science, Mathematics, Engineering, Finance, Economics, Accounting** or similar degree discipline.

## HOW TO APPLY?

**APPLICANTS MUST HAVE HONG KONG CITIZENSHIP OR HONG KONG PERMANENT RESIDENCY PRIOR TO APPLYING.**
