

HEADSTART GROUPTM

Education, Our Passion

Headstart Group Ltd.

Founded in 2006, Headstart Group is Hong Kong's pre-eminent English educational institution. The company is dynamic, driven and a market leader in the industry. It offers bespoke English curriculum development, in-class and after-school English programmes, UK study tours, teacher training and native-speaking English teacher (NET) recruitment services for its clients. The company serves more than 250 schools and universities, and is well-known for its superior quality of services all round. Beginning 2018, the company expands its business to offer high quality and comprehensive services to the learning centre market.
