HKBN offers an array of world-class enterprise solutions, including broadband and data connectivity, voice communication, managed Wi-Fi solutions, Cloud solutions and IT advisory services, as well as a diversified portfolio of residential broadband and Wi-Fi access, communication and entertainment services. HKBN owns an extensive fibre network in Hong Kong, which covers over 2.1 million residential homes passed, representing approximately 79% of Hong Kong’s total residential units, and more than 2,000 commercial buildings. HKBN takes great pride in developing its 2,400 plus Talents into a competitive advantage.

## **Talent-first Engagement**

At HKBN, we foster open and direct dialogue. We hold town hall meetings at least twice a year for all our Talents in Hong Kong and Guangzhou, which allow our senior management to share the latest business directions and enlist all Talents’ support. We also hold monthly management meetings for all supervisory and above level Talents, where business updates and experiences learnt as a group and individually are shared openly, with a view to breaking down silos and fostering business and professional growth.
