

The Graduate Trainee Programme (“GTP”)

ABOUT US

MUFG Bank Limited., a member of MUFG, a global financial group, is the leading Japanese bank with an extensive global network of over 50 countries. We offer an extensive scope of products and services including Commercial Banking, Trust Banking, Investment Banking, Securities, Credit Cards, Consumer Finance, Asset Management, Leasing and many more fields of financial services. We aspire to be a premier, comprehensive and global financial institution that is strongly supported by its clients.

WHAT YOU CAN EXPECT FROM US

The Graduate Trainee Programme (“GTP”) is a comprehensive programme designed for high caliber

Fresh graduates who are committed to embark on an exciting and challenging career in the banking industry and grow with the Bank. You will enjoy real responsibility from Day 1 and develop your expertise through a variety of classroom learning and departmental rotations. You are given the opportunity to develop strong visibility with senior management and build robust professional network that accelerates your growth.

WHAT WE ARE LOOKING FOR

- A bachelor’s degree or higher from a reputable university with strong academic results;
- Strong team player mentality with excellent interpersonal and communication skills;
- Fluency in English. Proficiency in Mandarin, Cantonese and Japanese is highly advantageous;
- Self-motivation and genuine interest in pursuing a banking and finance career;
- Strong analytic and problem solving skills; and
- Willingness to learn and can-do attitude.

HOW WE RECRUIT

Interested applicants please submit your resume to hkgraduates@hk.mufg.jp. On your resume, please state clearly your cumulative GPA on a 4.0 scale. Due to the huge volume of applications, only shortlisted candidates will be contacted.
