About **Openrice Limited**

Established in 1999, OpenRice has presence across Asia with over 5 million app downloads & monthly users. Various local and international IT & media awards have been won and the "OpenRice Best Restaurant Awards" is also a key annual event in the F&B industry, keenly followed by diners in Hong Kong.

Apart from providing comprehensive dining content and services to local users and travellers alike, OpenRice also operates the business platform, OpenRice Biz, which offers a one-stop solution to merchants, covering branding & advertisement, table booking, takeaway, spot payment, food delivery, vouchers & offers, restaurant management system, job posting, online queuing and POS system. Through cutting edge technologies, OpenRice relentlessly enhances its network for both diners and restaurants in order to derive maximum benefit to all concerned.

To keep up our aggressive expansion plan and rapid growth, we are looking for outstanding, creative and enthusiastic individuals who enjoy working in fast-growing online industry to join us.
