

Join Teach for Hong Kong and lead the change in education

Are you seeking a way to lead changes in society? Here is a solution for you!

Teach for Hong Kong Fellowship Program 2019-2020 is open for application now! Recent university graduates who are passionate for education in Hong Kong and keen on making changes could apply now to be a Teach for Hong Kong fellow and serve less privileged students under a one-year teaching placement.

The one-year fellowship will not only benefit the students but also yourself!

- Realise your mission and create impact from day one
- Join a network of future leaders and passionate changemakers
- Accelerate and unlock your full leadership potential
- Monthly living stipend of HKD12000 during the teaching placement

What are you waiting for? Go to our application page and submit your application!
