### About Teach For Hong Kong

Teach For Hong Kong ("TFHK") envisions a future where all children in Hong Kong have equal opportunity to access quality education and realise their potential.

We are a growing movement of young leaders that drive systemic changes in education with cross-sector collaboration. Through our one-year TFHK Fellowship Program, we recruit and empower the most promising and passionate young leaders to serve in underprivileged schools as full-time teachers.

We are now in our 4th year with 34 Fellows, teaching full-time in 19 local underprivileged schools and have served over 10,000 underprivileged students. We are also funded by the Government's SIE Fund, The D. H. Chen Foundation and The Jockey Club Charities Trust and are thriving as one of the fastest growing non-profits.
