

Teneo is the global CEO advisory firm.

Working exclusively with the CEOs and senior executives of the world's leading companies, Teneo provides strategic counsel across their full range of key objectives and issues. Our clients include a significant number of the Fortune 100 and FTSE 100, as well as other global corporations.

Integrating the disciplines of strategic communications, investor relations, digital advisory, diversity & inclusion, management consulting, physical & cyber risk advisory, financial advisory, corporate governance advisory, political risk advisory, and talent advisory, Teneo solves for the most complex business challenges and opportunities.

Our range of expertise is unlike any other advisory firm in the world. The breadth of our offering and our ability to provide bespoke and seamless advisory services, on either a standalone or integrated basis, makes us truly unique. We deploy highly-specialized, senior-led advisory on behalf of our clients.

Through its strategy & communications advisory business segment, Teneo works in close partnership with clients to help them address their biggest reputational and business issues.

Our teams bring together the disciplines of financial and corporate communications, government affairs, crisis and issues management, investor relations, media relations, corporate governance, talent advisory, research and digital capabilities in an integrated approach to provide clients with unparalleled business counsel and operational execution support around the world.
