

Cana Elite is a leading education centre in Hong Kong. Cana was founded by graduates from Cambridge University, MIT and University of Toronto. We believe in providing quality education to the local Hong Kong community and we have strong commitment in social services.

CANA Elite provides quality international education to the Hong Kong community. We offer academic tuition, admissions consultation, enrichment programs, and publication to prepare students for an international education. We have a high quality teaching and admin team from a diverse background and we offer comprehensive training and excellent career development opportunities for them. You are welcome to visit our website to know more about us at www.canaelite.com.

We are currently looking for enthusiastic individuals who are passionate about quality education to join our rapidly growing teaching team. The tutor will provide individualized and small group lessons to students preparing to write the GCSE, GCE A-level and IB Exams. We see tutors as our partners and cornerstone of the centre and therefore we do invest to grow our tutors.

We are looking for:

- Tutors (various subjects)
- Admission Consultants
- Customer Service Officers
- Marketing Officers
