

## Company

Cathay Dragon is a member of Cathay Pacific Group, affiliate member of oneworld® and partner of Asia Miles. In July 1985, Cathay Dragon's first flight took off from Hong Kong Kai Tak International Airport (old airport) to Kota Kinabalu in Malaysia. Currently there are around 3,500 employees worldwide. As Cathay Pacific's sister airline, Cathay Dragon's commitment to sustainable development includes putting the safety and well-being of our people and customers first, contributing to the communities we fly to and continually improving our environmental performance
