

Eclipse Trading Company Profile

Eclipse Trading is a **Hong Kong-based Electronic Trading firm**, specializing in **derivatives trading**. Employee owned, we have no clients and trade with our own capital.

Our offices are located in **Hong Kong, Sydney and Shanghai**.

Since our founding in 2007, we have built up a strong and stable track record in a number of markets across Asia Pacific. Our trading is neutral to market direction and includes equity derivatives market making and various arbitrage strategies.

Our technology is core to our success. We continually innovate to meet new challenges and opportunities in the markets. Our systems need to be fast, flexible and handle ever increasing market volumes. Our focus on quality and automation means we can respond to new opportunities quickly and safely.
