About the company

Meltwater is a global leader in media intelligence software that helps companies make better, more informed decisions based on insights from the outside. We believe that business strategy will be increasingly shaped by insights from online data. Within Greater China region, we have offices located at Hong Kong, Shanghai and Beijing and are now continously expanding.

Meltwater has won several awards as a Top Employer worldwide and most recently been accredited as **"Best Companies to Work For in Greater China 2015"** as well as **"Best Companies to Work For in Hong Kong 2016"** by Great Place to Work™. We're looking for exceptional candidates to contribute to our exponential growth in Greater China.

More than 25,000 companies use the Meltwater media intelligence platform to stay on top of billions of online conversations, extract relevant insights, and use them to strategically manage their brand and stay ahead of their competition. With more than 50 offices on six continents, Meltwater is dedicated to personal, global service built on local expertise. Meltwater also operates the Meltwater Entrepreneurial School of Technology (MEST), a nonprofit organization devoted to nurturing future generations of entrepreneurs.
