

POAD Group Limited - Company Background and Profile

As one of the largest outdoor advertising companies in Hong Kong, since our inception in 1988, we have stretched the boundaries of outdoor advertising by offering our clients creative and imaginative solutions across a vast spectrum of media. The momentous accomplishments highlighted below set the mark for our current team, inspiring us to continue to lead the way and offer our clients the widest array of innovative marketing opportunities. We are involved in billboard advertising, Tunnel advertising, taxi advertising, LED and Neon advertising as well as tram shelter advertising domination.
